- **Our children have equal opportunities in school in all areas of the curriculum**
- **We respect the views of others and have tolerance of different beliefs and faiths, recognising that not everyone believes the same thing, as there are people from many different cultures in our society**
- **Everyone's values are listened to and valued**
- **We are proud of where we live and value our community**
- **We understand that we are responsible for looking after the environment and the people that live here**
- **We promote understanding of having rules to keep safe**
- **We provide a voice for our school community**
