GENERAL SCHOOLS RISK ASSESSMENT

NOTE: Due to the constantly changing situation, dynamic risk assessments must be carried out. The general risk assessment below MUST be amended to reflect each school's specific controls on an ongoing basis.

PART A.	ASSESSMENT	DETAILS:
---------	------------	----------

Area/task/activity: School opening arrangements during COVID-19 restrictions from 1 June 2020

Location of activity:

Team/School name: Address & Contact	St Andrews Primary School Springfield Street	Name of Person(s) undertaking Assessment:	C Wilkinson
details:	Oswaldtwistle BB5 3LG	Signature(s):	Cuiltinson
Headteacher:	Christina Wilkinson	Date of Assessment:	
Signature:	(millinson	Planned Review Date:	Ongoing
How communicated to staff:		Date communicated to staff:	

PART B. HAZARD IDENTIFICATION AND CONTROL MEASURES:

List of significant hazards (something with the	Who might be harmed	Type of harm	Existing controls (actions already taken to control the risk - include procedure for the task/activity where these are specified)
potential to cause harm) Changes to official COVID19 guidance and advice	Staff, pupils, visitors, contractors, parents	Potential spread of infectious disease	School regularly refers to official advice from the DfE, PHE, H&S and HR; Coronavirus (Covid-19): guidance for schools and other educations settings LCC Schools HR guidance LCC Health & Safety COVID-19 web page Headteacher or other senior person keeps up to date with official COVID-19 Guidance and informs employees/school arrangements as required.

Issue No: 3

Vulnerable & extremely vulnerable staff or pupils with pre-existing health conditions	Staff, pupils,	Becoming seriously ill from the effects of coronavirus, potential to be life threating	Children who have been classed as clinically extremely vulnerable due to pre-existing medical conditions and have been advised to shield will not be expected to attend school and will continue to be supported at home as much as possible.
		3g	The parents of children who are classed as clinically vulnerable (but not clinically extremely vulnerable) must follow medical advice as to whether their child is able to attend school or not. If medical advice permits the child to attend school, an individual risk assessment will be carried out in consultation with the parents and other relevant parties. This will be reviewed on a regular basis.
			If a member of staff has received an official letter from the NHS identifying them as clinically extremely vulnerable and recommending shielding, the member of staff will NOT be required to return to the workplace. Where possible work will be allocated that they are able to undertake from home.
			 An individual risk assessment will be completed for any staff member who is identified as clinically vulnerable. If it is not possible to work from home the individual risk assessment will assess the risks to that individual and identify ways to reduce these risk to an acceptable level including the need for any reasonable adjustments. This will be done in consultation with the member of staff and will be reviewed on a regular basis or in the event of any significant changes.
Impact of reduced staffing levels on H&S roles and responsibilities and	Staff, pupils, visitors, contractors, parents	Potential spread of infectious disease, stress, injury or harm from	Staff at work have a daily briefing prior to pupils arriving on site to clarify key roles & responsibilities for the day, planned activities for pupils, essential staff tasks to be undertaken, etc.;
arrangements		accidents+/incidents	A whiteboard held in the staffroom is updated each morning listing:
			 the staff on site & their key roles
			o the most Senior member of staff
			who to report issues or concerns to
			o number of pupils, noting special needs, etc.
			 agreed times of pupil drop-off and collection first aid provision e.g. named first aider or appointed person
			 first aid provision e.g. named first aider or appointed person fire arrangements
			security/lock down arrangements

Lancashire County Council
All printed versions are uncontrolled

All printed versions	are uncontrolled					
All printed versions	are uncontrolled			•	 work tasks/activities to be undertaken that day areas of the building that remain in use or have restricted use any other relevant information The above arrangement and list is not exhaustive and will need to be adjusted to meet local needs. All staff have clear roles and responsibilities which are within their 	
				•	capabilities and are aware of how to raise any concerns; All new staff and volunteers are provided with a site induction and adequate information, instruction and training on local health and safety arrangements and their key roles and responsibilities;	
				•	The Headteacher/Chair of Governors, or other nominated senior personnel, is available to offer support and advice and to monitor the current working arrangements each day.	
Impact of redu levels on pupil and work tasks	activities	Staff, pupils, contractors, visitors	Potential infectious disease, Injury or harm from	•	Staffing levels are reviewed in line with current DfE guidance and where necessary advice is taken from LCC Schools Advisory Service;	
and work tasks	•		accidents,		•	Staff work on a rota basis to provide adequate cover and to reduce the number of persons on site at any one time;
				•	Current risk assessments are referenced for pupil activities and work tasks. Where necessary these have been updated to reflect any new risks and control measures due to COVID-19.	
				•	A dynamic risk assessment is completed to consider the impact on safety where there are reduced staffing levels and to clarify what, if any, changes to existing control measures are required. The outcome from this exercise will identify whether an activity or task can be carried out safely or if an alternative is required;	
				•	Lone working will be monitored by a nominated member of staff on site e.g. any building maintenance by the site supervisor, will be noted on the whiteboard along with their whereabouts, a check-out and expected check-in time;	
				•	The Headteacher/Chair of Governors, or other senior personnel, will keep in regular contact with staff to monitor the working arrangements and provide support and advice where necessary.	

Issue No: 3

Spread of Covid-19 during transport to and from school	Pupils	Potential spread of infectious disease Pupils stranded or missing	 Parents, pupils and staff have been made aware of the Coronavirus (COVID-19): safer travel guidance for passengers when planning their travel; Staff, parents and pupils are encouraged to walk or cycle to school where possible;
			Where this is not possible, use of private transport is recommended.
			All pupils will have their temperature tested on entering the building
			Public transport should be avoided wherever possible. If public transport has to be used, staff, parents and pupils are advised to follow social distancing rules and thoroughly wash their hands with warm running water and hand soap for at least 20 seconds on arrival to school.
			Specific school transport providers have been made aware of the current arrangements for start and finish times;
			School have been assured that transport providers, as far as possible, follow hygiene rules and try to keep distance from passengers;
			School have been assured that drivers have been instructed that they must not undertake duties for school if they or a member of their household are displaying any symptoms of coronavirus;
			Staff to wear appropriate PPE such as a fluid resistant disposable face mask when supporting pupils with complex needs who require assistance to access the vehicle or fasten seatbelts; Immediately after assisting pupils staff will thoroughly wash their hands with warm running water and hand soap for at least 20 seconds.
Spread of COVID-19 virus via germs on surfaces and furniture within the building	Staff, pupils, visitors, contractors, parents, members of the public	Potential spread of infectious disease	Guidance and training is provided for staff to ensure they understand, and can enforce, the new routines and support pupils in understanding them and are familiar with revised physical arrangements, well in advance on when wider opening begins.
			All staff, pupils and visitors are required to follow guidelines re washing hands thoroughly with warm running water and hand soap for at least 20 seconds upon arrival on site and/or use the hand sanitiser at the point of entry;
			All staff and pupils to wash their hands more frequently, particularly before

Issue No: 3

Lancashire County Council All printed versions are uncontrolled including the use of chemicals and cleaning materials and instructions on the use of PPE: PPE is provided for staff to wear during cleaning activities and must be worn as instructed e.g. gloves, aprons etc. Waste cleaning materials are disposed of in the usual way unless it is confirmed or suspected that they are contaminated as a result of a member of staff of pupil displaying symptoms. COSHH risk assessments are in place and followed for cleaning products and have been shared with staff as necessary; Staff have been instructed to store personal items and clothing in areas not widely accessible during the working day e.g. in lockers. To facilitate social distancing and to limit the amount of touchable surfaces, unnecessary items have been removed from classrooms and other learning environments and placed in storage where they do not pose increased trips or fire risks. Where necessary additional storage facilities will be provided; Soft furnishings, soft toys and toys that are hard to clean (such as those with intricate parts) have been removed and placed in storage; • Stationery and other equipment is not shared where possible by either staff or pupils; Good housekeeping is maintained at all times; Waste bins are emptied at least daily or more often as necessary and the contents disposed of safely; The school will follow the procedures as set out in the Government guidance Cleaning in Non-Health Care Settings following a confirmed or suspected case of COVID-19 on site; Contaminated or suspected contaminated waste will be double bagged, labelled and stored for 72 hours before being disposed of with general waste; Where it is not possible to store waste for 72 hours, arrangements will be made for collection by the school's specialist clinical waste contractor.

Issue No: 3

All printed versions are uncontrolled			A strict colour coding system of cleaning equipment is in place to reduce the risk of cross contamination;
Spread of COViD-19 virus via air borne particles	Staff, pupils, visitors, contractors, parents,	Potential spread of infectious disease	Guidance on Social Distancing MUST be adhered to at all times;
via ali borne particies	members of the public	infectious disease	DfE COVID-19 guidance on <u>implementing social distancing in educational settings is implemented and reviewed regularly;</u>
			Classes have been split in half, with no more than 15 pupils per group and one teacher (and, if needed, a teaching assistant).
			Vulnerable pupils and children of critical workers in other year groups will also be split into small groups of no more than 15.
			Room layouts and table settings in class and dining area have been adjusted to allow for social distancing e.g. tables spaced out to the recommended distance i.e. a minimum of 2 metres apart. Where necessary floor tape has been used to mark out a 2 metre distance.
			Pupils will remain in the same small groups at all times each day, and different groups will not mix during the day, or on subsequent days;
			The same teacher(s) and other staff will be assigned to each group and, as far as possible, these will stay the same during the day and on subsequent days;
			The teacher and pupils within an individual group will use the same classroom or area of a setting throughout the day;
			Where possible rooms are accessed directly from outside;
			A one-way circulation route along corridors is in operation;
			Breaks will be staggered to ensure that corridors or circulation routes have a limited number of pupils using them at any time;
			Children in different groups are encouraged not to play together at break times. Breaks are staggered to restricted the number of children playing a one time and groups are supervised and kept apart as far as possible;
			Lunch breaks are staggered with dining areas only being used at half capacity;

Lancashire County Council All printed versions are uncontrolled Pupils will enter the dining area in their class groups; Different groups in the dining area will be kept apart as much as possible; Lunch breaks for staff are staggered to limit the occupancy of the staff room and additional space for breaks will be created by using other parts of the school not in use: Staff room furniture has been reconfigured to maintain social distancing and reduce face to face contact; Specific toilet areas are designated to different groups of children; Access to the toilets will be controlled to limit the number of pupils who use them at one time in order to manage social distancing; As far as practicable groups will be kept apart with only brief transitory contact if this is unavoidable: Pupils will be encouraged to socially distance themselves from staff and other pupils and to stay within their small groups; There will be no school assemblies; Air conditioning units will be set to none-circulating e.g. only to draw in fresh air from outside or switched off and open doors and windows instead When possible, groups will work outdoors as this can limit transmission and more easily allow for social distancing between children and staff; Parents/carers will not enter the school unless absolutely necessary, where this is unavoidable they will be instructed to follow handwashing and social distancing guidelines; Arrangements are in place for parents/carers to drop off and collect children at specified times, without physically entering the premises e.g. front gate drop-off with staff meeting the pupil at the school door; Parents have been advised that only one parent should accompany their child to the school entrance: Meetings to be held via remote working tools wherever possible; Only when absolutely necessary will a face to face meeting take place. This will be with the minimum number of participants, whilst observing

Issue No: 3

Lancashire County Council All printed versions are uncontrolled												
				social distancing rules either in an outdoor space or well ventilated area indoors.								
				Measures have been put in place to protect office staff when dealing with contractors, parents and visitors. Perspex screens have been installed in open reception areas;								
				Wherever possible, contractors, parents and visitors should only attend by prior appointment.								
				The occupancy of the school office is restricted to ensure social distancing 2 metre rules can be observed;								
				The School office layout has been rearranged to facilitate side by side working rather than face to face;								
				Dividing screens have been placed in-between work areas where necessary;								
				Shared work areas are avoided wherever possible. Where this is not possible work areas to be thoroughly sanitized before and after use by different people.								
Staff or pupil displaying signs of COVID-19 whilst in school	Staff, pupils, visitors, contractors, parents, members of the public	Potential spread of infectious disease		Staff are aware of the virus symptoms and are vigilant in reporting all concerns to the responsible person who will reference DfE COVID-19 : guidance for education settings for advice on dealing with the situation;								
	ривно			Staff who have assisted someone who has taken ill with COVID-19 symptoms will wash their hands with warm running water and soap for a minimum of 20 seconds. They do not need to go home unless they display the symptoms themselves;								
				Staff showing symptoms are sent home and reminded to self-isolate following current government guidance for staying at home;								
												If a pupil displays symptoms they will not be permitted to remain in school. Their parent/carer etc will be required to take them home. Where this is not immediately possible, the pupil will be placed in a separate room until they can be collected, whilst being mindful of individual pupils' needs;
								•	Ideally, a window will be opened in the room for increased ventilation;			
				If it is not possible to isolate the pupil e.g. if it causes them undue distress or they need to remain under adult observation, an assessment will be								

Carried out to see whether it is sufficient to move them to an area which is at least 2 metres away from others; If an individual (adult or child) showing COVID-19 symptoms, needs to use the bathroom while waiting to go home, they will use a separate bathroom if possible. The bathroom will then be cleaned and disinfected before being used by anyone else; Manual Handling	All printed versions are uncontrolled
